

FAITH

THE CURRENCY OF THE KINGDOM

PART 12 - THE ATTRIBUTES OF FAITH

For part 12, we are going to look at 6 attributes or qualities which we will enter into and come to know, through this kind of faith which we are describing in this resource called, "FAITH: The Currency of the Kingdom."

Here are the 6 attributes or qualities which faith brings us into;

1. Faith brings us into the true knowledge of God and the ongoing true knowledge of God, which makes us free and transforms us into this brand new eternal life. We then are able to live from this transformation and express this eternal life into the earth.
2. Faith brings us into the true knowledge of who we are in God. The revelation of what it truly is to be His people, the church, the ecclesia and everything that aligns itself with this reality. The true reality of our identity is revealed in and to us. What it is to be the bride, sons, saints, bondservants, priests, nation, disciples, soldiers and Israel.
3. Faith brings us into the true knowledge of God's eternal purpose, the will of God for His people.
4. Faith brings us into the true knowledge of the kingdom of God's being formed within us, while being revealed the mysteries and patterns of this kingdom dimension.
5. Faith brings us into possessing all of the promises concealed within the Christ, which empowers and enables us to live lives of godliness.
6. Faith empowers us to speak the living Word of God, the aroma of the knowledge of Jesus Christ, everywhere we go.
